SPAY & NEUTER

In 2020, the City of Deltona adopted a mandatory spay and neuter ordinance (Sec. 14-238), which requires all dogs and cats, four months and older to be spayed or neutered.

The purpose of this ordinance is to control the overpopulation of animals.

Top Reasons for Spaying & Neutering

- It reduces pet overpopulation.
- Sterilized cats and dogs have a chance for a longer and healthier life.
- Sterilizing your cat/dog makes him/her a better pet, reducing his/her urge to roam and decreasing the risk of contracting diseases or getting hurt as they roam.
